

# Diaper or Specimen Scale

## KEY FEATURES

PC100's smaller size makes it a flexible weighing solution.

It's dimensions and light weight also make it highly portable.

A well-designed scale with a sleek, low profile look.

Easy operation with "zero only" functionality. So when you zero the scale – you will see a zero. Simple.

Stainless Steel cover is easy to clean and better protects the device's interior electronics.

Automatic zero upon startup.

Automatic shutoff.

This efficient scale provides all the units you should ever need in a small scale with quick and easy units conversion.

PC100's low price makes it an unbeatable value.
